The licensee's robust schedule of pre-filing announcements was intended to outperform the requirements prescribed by Section § 73.3580 of the rules, after communications problems with the station's spam filter resulted in the station missing the first three announcement dates.

### **Text of Pre-Filing Announcement for WBRZ-TV**

On April 13, 2007, WBRZ-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until June 1, 2013.

Our license will expire on June 1, 2013. We must file an application for renewal with the FCC by February 1, 2013. When filed, a copy of this application will be available for public inspection at [www.fcc.gov](http://www.fcc.gov). It contains information concerning this station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by May 1, 2013.

Further information concerning the FCC's broadcast license renewal process is available at 1650 Highland Road, Baton Rouge, Louisiana 70802 or may be obtained from the FCC, Washington, D.C. 20554.
